3-D Printing

Entering Grades 2-4: Week 6

Entering Grades 6-8: Week 8

Ready to bring your imagination to life? Join our 3D Printing Makers Club, an exciting week-long summer camp designed specifically for middle school students who love to explore, design, and build. During the week, you'll discover the magic of 3D printing technology, learning how 3D printers create objects layer by layer and turn virtual ideas into real-life creations. You'll get hands-on experience with TinkerCAD, an easy-to-use 3D modeling software, as you design your own unique projects. Then, take your skills to the next level by

operating a 3D printer and watching your designs come to life. Best of all, you'll leave with physical objects you've created yourself—perfect keepsakes to show off your newfound talents. Whether you're a tech enthusiast, a future engineer, or just curious about this fascinating technology, this club is the perfect opportunity to have fun, be creative, and learn something amazing.

Basketball

Entering Grades 2-4: Week 1

Get ready to shoot some hoops and have a ball at our Basketball Camp! Slam dunk your way through a week of skill-building, teamwork, and loads of fun on the court. After a morning of hoops action, smoothly transition into our traditional camps for a lunchtime break, followed by a splash in the pool and a mix of awesome activities.

Dance

Entering Grades 2-4: Week 9

Entering Grades 3-5: Week 6

Shooting Stars School of dance is excited to partner with the Bayside YMCA to offer dance camp! Dancers will learn to tumble, explore different styles of dance and work on routines to perform for the camp at the end of the week. Dancers will play dance related games, learn choreography and even make their own costumes for the end of week performance! No experience is required! Campers will then join the traditional camps.

Dungeons & Dragons

Entering Grades 2-4: Week 8

Entering Grades 3-5: Week 7

Entering Grades 6-8: Week 1

Explore a world of imagination in this exciting tabletop gaming club. Whether you are brand new to the game or you have braved dungeons before, this program is here for you. Defeat monsters, solve puzzles, find riches, and become a great hero alongside your allies. Do you have what it takes to save the world?

Kayak Camp*

Entering Grades 3-5: Week 3

Entering Grades 6-8: Week 7

Embark on a watery adventure with our kayaking camp! Campers delve into paddling skills, prioritize water safety, and develop an appreciation for the environment in picturesque Brick Yard Pond. Mornings are filled with traditional camp activities—swimming, art, archery—while afternoons bring kayaking escapades on local ponds. Guided by a counselor and a certified lifeguard, it's a week where paddling prowess meets boundless enjoyment. **All Kayak campers must be able to pass the green band swim test which consists of swimming 25 yds freestyle, 25 yds on back, 1 minute back float and 1 minute treading water.**

LEGO

Entering Grades 2-4: Week 3

Unleash your creativity at our week-long Lego Camp! With access to an amazing collection of Legos and guided by our expert Lego instructor, each day will feature an exciting new theme and challenge. Whether you're a beginner or a master builder, there's something for everyone. Join us for a week of fun, learning, and imagination—all skill levels welcome!

LEGO Friends

Entering Grades 2-4: Week 7

Our house master builder will introduce minimaster builders to the world of Heart Lake City, its citizens and its vibrant community. They will build Friends sets, learn building techniques and some awesome LEGO facts along the way. (No Lego experience necessary).
