Backwoods

Entering Grades 3-5: Week 2, 4, 6 & 8

A camp built for young nature enthusiasts, Backwoods camp is back! This camp is designed to ignite a passion for nature education and to help campers develop essential outdoor skills in a fun and supportive environment. Campers will explore nature, archery, fort building, and more!

Dance

Entering Grades 2-5: Week 4 & 7

Campers participating in dance camp are able to spend the week working towards a variety of new skills! Dancers will learn to explore different styles of dance and work on routines to perform for the camp at the end of the week. While at dance camp, the dancers will play dance related games, learn choreography and even make their own costumes for the end of week performance! No previous skills or experience is required!

Theater (2-week program)

Entering Grades 2-5: Weeks 2/3 & Weeks 5/6

Campers will participate in a variety of activities involving acting, dance, and singing, all culminating in an end-of-session performance for the whole camp! This is a wonderful opportunity for your camper to learn to find their independent creative voice and work as a team while forming binding and long-lasting friendships.

LEGO Masters

Entering Grades 3-5: Week 3

LEGO Masters is the ultimate summer camp for aspiring builders and creative thinkers! In this hands-on group, campers will use their imagination and problem-solving skills to design, construct, and bring to life incredible LEGO creations. Whether you're a master builder or just starting out, LEGO Masters is the perfect place to unlock your potential and have a blast while doing it!

Minecraft

Entering Grades 3-5: Week 7

Dive into the blocky world of Minecraft with our summer camp group designed for explorers, builders, and adventurers! Campers will work together to create massive structures, tackle challenges, and uncover hidden treasures in both survival and creative modes. Whether you're mining deep underground or crafting epic landscapes, Minecraft is the ultimate sandbox for endless fun and creativity!

Pokemon

Entering Grades 3-5: Week 5

Calling all Pokemon trainers! Join us and embark on an epic summer adventure! Campers will dive into the world of Pokémon, battling, and exploring strategies to become true Pokémon Masters. Whether you're a seasoned trainer or new to the Pokémon world, this group is the perfect place to catch 'em all and level up your skills!

Coding

Entering Grades 4-6: Week 5

Dive into the world of coding at our summer camp, where kids learn to create games, apps, and animations using beginner-friendly programming tools! Through interactive projects and hands-on challenges, campers will build essential problem-solving and logical thinking skills. It's the perfect environment for young innovators to explore technology, unleash their creativity, and have fun with coding!

CSI

Entering Grades 4-6: Week 2

Step into the world of forensic science with our CSI group, where campers become real-life detectives! Using science, critical thinking, and teamwork, they'll solve mysteries, analyze evidence, and uncover clues just like true crime scene investigators. Whether it's examining fingerprints or analyzing DNA, this camp is perfect for future sleuths eager to crack the case!

Dungeons & Dragons

Entering Grades 4-6: Week 3

Explore a world of imagination in this exciting tabletop gaming club. Whether you are brand new to the game or you have braved dungeons before, this program is here for you. Defeat monsters, solve puzzles, find riches, and become a great hero alongside your allies. Do you have what it takes to save the world?

Fantasy

Entering Grades 4-6: Week 6

HEROES NEEDED: Embark on an epic quest to save camp as you set out on a grand adventure. Grab a sword, bow, or spell and do battle against the forces of evil. Descend into ancient dens and solve long forgotten riddles. Every day will be an action-packed adventure that will get your camper active, engaged in problem solving, and communicating with their peers. If reading about it isn't enough, sign up and try living it!

LEGO Robotics

Entering Grades 4-6: Week 7

Embark on an exciting journey into the world of robotics with our immersive Lego Robotics Adventure summer camp! This hands-on camp is designed to spark the imagination and curiosity of young minds as they delve into the exciting realm of robotics using the beloved Lego building blocks.

Ultimate Frisbee

Entering Grades 4-6: Week 8

Join the action-packed Ultimate Frisbee summer camp, where kids learn the fundamentals of this fast-paced and team-oriented sport! Campers will develop skills like throwing, catching, and strategic play while enjoying fun drills, scrimmages, and teamwork challenges. It's the perfect way to stay active, make new friends, and experience the thrill of Ultimate Frisbee!

Woodworking

Entering Grades 4-6: Week 4

Unleash your abilities at our Woodworking Summer Camp, where kids learn to design, build, and craft with their own hands! Campers will master basic woodworking skills using tools and materials to create fun, hands-on projects they can proudly take home. With a focus on safety, creativity, and problem-solving, this camp is perfect for young builders ready to bring their ideas to life!

LEADERSHIP CAMPS
