Sensei Henry Tow, 7th degree Black Belt is introducing a new program for the older students that focuses on health and well-being. This class will adapt karate exercises focused on training the mind and body on balance, muscle coordination and awareness.

CARDIO DANCE

This class fuses musical rhythms and choreographed dance moves together to create a dynamic workout that's designed for fun—and a good workout! Moving to the music allows your mind to relax while your body is in constant motion.

CHAIR YOGA

This class helps increase flexibility, lung capacity, circulation and strength, improves balance, and relieves stress all while seated in a chair! It focuses on breathing exercises, stretching, yoga postures, and relaxation.

CYCLE

This class is a great cardiovascular workout. Pedal through hill climbs, sprints, and many other challenging drills and exercises. All levels are welcome!

CYCLE & CIRCUIT

This class is an on-and-off the bike workout. The class begins with a warm-up and cycle song, then the intervals alternate between being on and off the bike. The segments focus on cardio and strength exercises.

HIP-HOP FIT
