Leave a Lasting Legacy

LEAVE A LASTING LEGACY

Make a planned gift to the Greater Providence YMCA means leaving a gift that lasts for generations. In an ever-changing world, the Y remains a cornerstone of our community—guided by local leaders, responsive to evolving needs, and committed to strengthening individuals and families.

The strength of the YMCA today exists because of the generosity of those who came before us. By joining the **Heritage Society**, you ensure this legacy continues so that tomorrow's children, families, and neighbors will always have a Y to turn to.

YOUR GIFT HELPS THE Y:

- Expand youth development programs
- Enhance health and wellness initiatives
- Send children to camp to experience the outdoors
- Keep people safe in and around the water
- Sustain evidence-based wellness programs
